You are hereby notified that the Court has entered the following order:

No. 04-1183-D

Matter of Disciplinary Proceedings Against Eric A. Stearn: OLR v. Stearn

Attorney Eric A. Stearn has filed a petition for consensual license revocation under SCR 22.19. Attorney Stearn's Wisconsin law license was suspended on November 7, 2003 based on criminal convictions for homicide by intoxicated use of a vehicle and causing great bodily harm by intoxicated use of a vehicle. He is currently serving a 12-year prison sentence.

Attorney Stearn is currently the subject of an Officer of Lawyer Regulation (OLR) misconduct investigation. Attorney Stearn submits under SCR 22.19(2) that he cannot successfully defend against the misconduct allegations, which include the OLR's assertion that Stearn's convictions establish conduct that reflects adversely on Stearn's honesty, trustworthiness or fitness as a lawyer in other respects, contrary to SCR 20:8.4(b).

The OLR supports Attorney Stearn's petition for consensual license revocation.
